

Dear Praying Friends,

We wanted to update you after our last arrow prayer update from about 2 weeks ago. This past Saturday, Wendy began her Professional Women's camp ministry where she is teaching daily English classes and some of the main talks. This is typically a highlight of Wendy's ministry year. **Pray** for God's spirit to bring the campers closer to Himself and some to a personal commitment of faith. She will be there through the end of the month.

Christopher swam well in the Polish national swimming competition on July 14-17. He placed 10th 13th and 14th in his individual events and 5th in their IM relay. We were able to see his last day of competition with some of the other Polish swimming families. Over these last two weeks we also had a couple of big yard sales which are a novelty in Poland. These were a great opportunity to say goodbye to some dear friends. The house is getting noticeably more empty now as much of the furniture is disappearing. The shipper comes on August 5, pray that we will have our packing done by then and we fly back on August 9. On the housing front, 3 more families came and looked at the house though we do not have a firm offer or down payment yet. Continue to keep the home sale in your **prayers**, praying for the Lord's will to be done in His time.

On July 24th, I preached a farewell message to the Wolow church plant that I have been serving these past few years. It was a blessing to see how the fellowship there has grown in Him. On July 27 & 28, I travel to Warsaw to finalize some arrangements and say farewell to friends and family there. **Pray** for opportunities to share Christ with those who do not yet know Him personally.

In this time of farewells, even though the tearing away that comes with goodbyes is painful, we are grateful for the friendships God has blessed us with, including yours. We count it a rich blessing and His precious gift to us. Thank you for your thoughts and prayers as our family takes this next step in following after our Shepherd and Lord. We will keep you posted on major developments.

Grace and Peace, Ted for us all

*I pray also that the eyes of your heart may be enlightened in order that
you may know the hope to which he has called you,
the riches of his glorious inheritance in the saints, and
his incomparably great power for us who believe.*
